

WELCOME [BACK] TO TEAM OASIS!

August 2022

Dear Oasis Students and Families:

We are so excited to start our year with you on Team Oasis!

What's an Oasis?

An oasis is a place in the desert for creatures to find water, life, and sanctuary - whether you are a turtle or a bobcat or a purple-backed spiny lizard or middle school students. It's a place where you find what you need for the rest of your journey. We hope that you find Oasis to be a safe, welcoming place full of intriguing, surprising life. Of course, Oasis was also a pretty big rock band in the 90s, so we also hope to be your Wonderwall.

Who are my teachers?

You have a crew of excellent teachers roaming round the waters of our Oasis: Ms. Honigman, your sublime science teacher; Ms. Snyder, your masterful math teacher; Mr. Grossman, your specialized special educator; Mr. Fisher, your heroic humanities teacher; and Mr. Moore, your humble (other) humanities teacher. Their contact information is on the back of this letter.

7th Graders!

A warm welcome to all of you! We look forward to getting to know you. Staying organized is a big part of 7th grade, so start thinking about what system will work for you. We will help you with this as we start our year!

8th Graders!

Welcome back! You are familiar folks around the greenery of Team Oasis, and we look forward to you sharing your experience and expertise. Start thinking about your year ahead: What are your goals and how will you achieve them?

What do I need?

Please see the reverse side for a **supply list** and contact information. We will have additional supplies if needed, and we also accept donations of any supplies on the list. Thank you in advance.

Enjoy the rest of the summer and don't forget about your summer reading - **Read Two Books!** (one being the book we gave you).

We look forward to seeing you in August! Please do not hesitate to reach out if you have any questions.

Sincerely,

- All the Lights that Light the Way -

Mr. Fisher, Mr. Grossman, Ms. Honigman, Mr. Moore, and Ms. Snyder

Supplies for All Oasis Students

The Basics – <i>for all classes</i>	Math
Humanities	Science
Suggested - <i>optional</i>
